Contents

1	Introduction	2
2	Mathematics	2
3	Image Example	2
4	Table Example	2
5	Diagram (TikZ)	3
6	Code Example	3
7	Lists	3
7.1	Itemize	3
7.2	Enumerate	3

1 Introduction

This document demonstrates all major **LaTeX features** including images, tables, diagrams, and code.

2 Mathematics

Inline math: $E = mc^2$

Display math:

$$\int_0^\infty e^{-x} dx = 1$$

3 Image Example

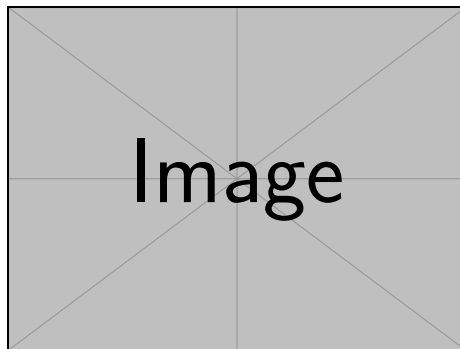

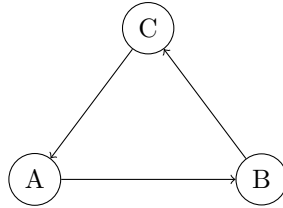

Figure 1: Sample Image

4 Table Example

Name	Age	Score
Alice	20	85
Bob	22	90
Charlie	21	88

5 Diagram (TikZ)

6 Code Example

```
1 def deep_learning():  
2     model = "Neural_Network"  
3     for epoch in range(5):  
4         print("Training...", epoch)  
5     return "Model_Trained"  
6  
7 deep_learning()
```

7 Lists

7.1 Itemize

- First point
- Second point
- Third point

7.2 Enumerate

1. Step one
2. Step two
3. Step three
